The USF Exercise Science program is a limited access program. Students with the top 30 composite GPAs will be selected for admission. A composite GPA score will be calculated for each student by adding 30% of the overall GPA and 70% of the common statewide prerequisite GPA. Therefore, official transcripts including the state mandated prerequisites must be submitted by the July 15th deadline – there are no exceptions. Please complete the following regarding your common statewide prerequisites: (NOTE: For a list of the USF courses that meet the statewide common prerequisites, see page 3).

Have you met the USF’s CLAST requirement?

_____ Yes  _____ No  _____ Don’t know

Have you met USF’s Gordon Rule Writing requirement? (6 hours or 2 classes)

_____ Yes  _____ No  _____ Don’t know

Please read the following and then sign and date:

1. I understand that it is my responsibility to ensure that “all” official transcripts are included with this application and/or received in the EDU162 office by July 15th in order to be considered in the Exercise Science program.*
2. I understand and accept all of the requirements of this program, if I am selected for admission.
3. I understand that I will be informed of my acceptance (or non-acceptance) by August 1st via US mail. (Admission status is not given over the phone).

Signature Date

* When submitting official transcripts, it is best to have another set sent directly to the address above (EDU162) in addition to the USF Registrar’s office. Due to the heavy volume of transcripts being processed by the Registrar’s office, it is recommended that another copy be sent directly to EDU162 to expedite the process. USF students do NOT need to submit official transcripts.
Common Statewide Prerequisites for Exercise Science Programs:
25 semester hours – USF Courses

1) PSY 2012 Intro to Psychological Science (3 hours)
2) CHM 2045 General Chemistry I (3 hours) and CHM 2045L General Chemistry Lab I (1 hour) OR CHM 2030 Intro to Gen/Org/Bio Chemistry (4 hours) OR CHM 2021 Chemistry for Today (4 hours)
3) HSC 2933 Anatomy and Physiology for Health Professionals I (3 hours)
4) HSC 2933 Anatomy and Physiology for Health Professionals II (3 hours)
5) HSC 2933 Anatomy and Physiology for Health Professionals II (2 hours)
6) HUN 2201 Nutrition (3 hours)
7) MAC 1105 College Algebra (3 hours)
8) STA 2023 Introductory Statistics I (4 hours) or Pre-Calculus Course: MAC 1147 Pre-Calculus Algebra and Trigonometry (4 hours)
