College of Education
Department of Psychological and Social Foundations
Counselor Education Program

OUTCOMES REPORT

1. Students enrolled in the Counselor Education Program (All specialties)
   Currently, there are 126 students enrolled in our program

2. Number of program graduates from the past year
   Twenty-three students graduated last year

3. Completion rate.
   Completion rate is at or near one hundred percent.

4. Licensure or certification examination pass rate.
   All of our students successfully complete the Counselor Preparation Comprehensive
   Examination. In addition, all of our graduates attempting to achieve licensure or certification
   accomplish this goal.

5. Job placement rate.
   All of our students secure a job position after graduation. Some continue to pursue higher
   educational degrees.

6. How many applications for your Master’s level CACREP-accredited program did you receive
   in the past year?
   One hundred and thirty five.

7. University demographics.
   The University of South Florida is a high-impact, global research university dedicated to student
   success. USF is classified by the Carnegie Foundation for the Advancement of Teaching in the
   top tier of research universities, a distinction attained by only 2.2 percent of all universities. USF
   in Tampa serves more than 48,000 students

8. Geographic location.
   Tampa, Florida

9. Average class sizes.
   The classes in the master’s program typically range from 5 to 35 students, with a mode of 12.
