Doctorate: University of Florida

Research interests: Memory development, children's strategies for learning and the utilization deficiency period in strategy development; relation between knowledge and memory; children's photography and experience; early childhood curriculum; teacher education partnerships to enhance student learning.

Dorn, Sherman DFM – Psych & Soc Foundation (Tampa)

Phone: (813) 974-9482; dorn@mail.usf.edu; office: EDU 381J

Doctorate: University of Pennsylvania

Research interests: Historical and socio-science perspectives on high-stakes accountability; Florida education policy; 20th-century history of special education; history of dropping out as demographic phenomenon and concern; educational historiography; academic freedom and the war on terror.

Eison, Jim CFM – ACHE (Tampa)

Phone: (813) 974-4697; jeison@tempest.coedu.usf.edu; office: EDU 151I

Doctorate: University of Tennessee (Psychology)

Research interests: Instructional strategies and techniques, student characteristics that influence learning, assessing, testing, and grading, and faculty development.

Faucette, Nell DFM – Physical Education (Tampa)

Phone: (813) 974-4658; faucette@tempest.coedu.usf.edu; office: PED 209

Doctorate: University of Georgia

Research interests: Pre-service and in-service teacher professional development

Formerly: Co-Editor, *Journal of Teaching in Physical Education*; program Chair, AERA Special Interest Group in Physical Education; Research Consortium Fellow for the American Alliance for Health, Physical Education, Recreation, and Dance. *Publications:* Over 27 research papers, 36 abstracts, and several book chapters

Fauske, Janice DFM – Educational Leadership (Sarasota)

Phone: (941) 359-4288; jfauske@banshee.sar.usf.edu; office PMC 1101

Doctorate: University of Utah

Teaching expertise: Teaching and learning for school leaders, leadership, organizational change, qualitative research methods

Research interests: Organizational learning and change, effects of collaborative governance in schools, teaching in educational administration programs

Ignash, Jan DFM – ACHE (Tampa)

Phone: (813) 974-1575; ignash@tempest.coedu.usf.edu; office: EDU 151G

Doctorate: University of California–Los Angeles

Research interests: Transfer and articulation, college curriculum, and state-level governance of colleges and universities. Currently conducting a national survey on state-level policies for occupational program transferability

Jones, Bruce NFM (Year 1) – Anchin Center / Special Education (Tampa)

Phone: (813) 974-5958; bajones04@hotmail.com; office: EDU 162

Doctorate: Columbia University

Full professor, appointed: COE Director of David C. Anchin Center for the Advancement of Teaching (endowed chair); interim Associate Dean of Research

Research interests: Leadership and policy analysis in public and higher education

Kealy, William CFM – Secondary Education (Tampa)

Phone: (813) 974-7952; kealy@coedu.usf.edu; office: EDU 302V

Doctorate: Arizona State University

Courses: Instructional Graphics, Interactive Media, Digital Video

Research interests: factors that motivate people to use and mentally process instructional graphics. Mentoring in educational settings.

Publications include: Educational Technology Research & Development, Journal of Educational Psychology, and Contemporary Educational Psychology

Chair: Instructional Technology SIG, AERA; co-founded /co-chaired Mentoring SIG

Kim, Doeksoon NFM – Secondary Education (Tampa)

Phone: (813) 974-3533 (Department); deoksoon@hotmail.com; office: EDU 302

Doctorate: University of New Mexico

Research interests: Second language acquisition and literacy, bilingual education, multicultural pedagogy, first and second language literacy, TESOL methods, English Language Learners ethnic identity discourse (reading comprehension), and cross-cultural studies within interdisciplinary areas.

KleinhammerTramill, Jeannie NFM – Special Education (Tampa)

Phone: (813) 974-3221; jktramil@coedu.usf.edu; office: EDU 402I

Doctorate: University of Kansas (Department of Special Education)

Full Professor, formerly at University of Kansas

Scholarship focus: Special education policy (role of federal and state support for personnel preparation in special education)

Publications in: Areas of state policies impacting personnel preparation for transition and historical analyses of federal policy

Kromrey, Jeffrey CFM – Educational Measurement (Tampa)

Phone: (813) 974-5739; kromrey@tempest.coedu.usf.edu; office: EDU 358

Doctorate: University of South Florida

Specializations: Applied statistics and data analysis. General interests in the behavior of numbers, and summaries of numbers, in the context of research. *Current research projects:* Validation of revised SF36 instruments for use with spinal cord injured patients; robustness properties of tests for differences in parametric and non-parametric estimated of effect size; and the effects of measurement error in predictors in hierarchical linear modeling.

Laframboise, Kathy DFM – Childhood Education (Tampa)

Phone: (813) 974-0597; laframbo@coedu.usf.edu; office: EDU 202X

Doctorate: Curriculum and Instruction/Elementary Education

Research field: Teacher education

Courses: Undergraduate and graduate classes in writing and children's literature and supervises doctoral student research.

Serves: Editorial Board member of *Reading Teacher* and *Reading Psychology*; Elementary Education masters' program advisor.

Marfo, Kofi CFM – Psych & Soc Foundation (Tampa)

Phone: (813) 974-0439; marfo@coedu.usf.edu; office: EDU 216A

Doctorate: University of Alberta
