**RELEASE FORM FOR ACCREDITATION REVIEW
STUDENT E-PORTFOLIO**

As part of the periodic accreditation reviews by NCATE and the FDOE that the College of Education (COE) at the University of South Florida must undergo, the COE must present samples of student work. **The purpose of the samples is not to judge individual students; the purpose is to provide examples of the types of assignments COE students complete.** Selected student e-portfolios or artifacts from portfolios will be electronically archived for presentation to the accreditation team visiting in the spring of 2006. So that faculty may select and archive student e-portfolios and artifacts as needed, we ask that you complete and return this release form.

Name: _____

Semester/Year: _____

Degree Program: _____

I grant permission to the University of South Florida to present my e-portfolio work to the accreditation team visiting the College of Education at the University of South Florida in the spring of 2006. I understand that only professional educators on the team and in the College will have access to my work.
