This section contains information on projects funded by public and private sources and initiated by faculty and researchers in the College of Education, University of South Florida. The projects included those for which awards were announced or funded during 2008-2009 fiscal year, as well as those on continuing funding cycles. The list presents projects alphabetically by faculty member name and a synopsis of project activities.
Batsche, George

**Student Support Services Project - IDEA, Part B**
Florida Department of Education
11/1/2008 - 10/31/2009
$2,272,642
To provide coordination, development and implementation of quality student services to Florida Schools and to serve as the Department of Education's pivotal point for student services in the state.

**Problem Solving and Response to Intervention State Pilot Project**
Florida Department of Education
8/1/2008 - 7/31/2009
$1,723,047
The project utilizes problem-Solving Method and Response to Intervention (PSM/RtI) model to provide training and support to the statewide at-risk and exceptional students to improve academic and behavior outcomes.

Berson, Ilene

**Evaluation of Sarasota Early Childhood Mental Health Partnership**
Sarasota County Government
10/1/2005 - 9/30/2009
$253,345 – funding for this fiscal year
$1,054,331 – Anticipated total project funding
To be responsible for the evaluation of a 6 year federally-funded grant received by Sarasota County. The grant is focused on strengthening the ways that Sarasota County meets the needs of young children and their families by providing a cross-system, cross-agency infrastructure to sustain services and supports that promote socio-emotional functioning, prevent challenging behaviors, and intervene with and for children and families impacted by mental health disorders.

Berson, Michael

**Project Educating Learners to Engage in Civics Today (ELECT)**
Hillsborough County School Board
10/1/2007 - 6/30/2009
$540
Dr. Berson will oversee the grant K-12 Social Studies week-long Summer Institute, cybercitizenship instruction, resource and training development and oversight of the interactive CD-ROM and model lesson plan development. Dr. Elam will provide research, planning, implementation, and material development in regards to the integration of culturally competent instructional practices into the project. Dr. Rodriguez-Campos will direct the evaluation activities

Burrello, Leonard

**The National Consortium of States for Students of Color (NCSSC)**
Various Sources  
2/20/2009 - 6/30/2010  
$99,999  
Form the National Consortium of States for Students of Color (NCSSC). The Consortium will use state, federal, and private sector expertise and funding to identify and select communities within their states to facilitate the design of community based interventions that increase student and family educational success in school and healthy, economically sustainable families and communities.

Carlson, JoEllen

Assisted Living Facilities (ALF) Core Training Examinations  
Florida Department of Elder Affairs  
7/1/2007 - 6/30/2010  
$145,128

Certification of Florida Teachers  
NCS Pearson, Inc.  
$1,700,000 – funding for this fiscal year  
$5,841,484 – Total project funding

Chason, Walter

Grant Professionals Certification Examination within the Grant Professionals Certification Program.  
Grant Professional Certification Inst  
6/21/2006 - 12/31/2009  
$1,000

Cranston-Gingras, Ann

Florida Migrant Interstate Program (FMIP)  
Florida Department of Education  
9/1/2008 - 6/30/2009  
$325,692  
To assist the Florida Migrant Education Program (FMEP) with interstate and intrastate coordination, including the exchange of migratory student records between the US and Mexico; educational/supportive services to migratory children/families; and instructional practices to assist migratory children to graduate and transition to post-secondary education

Crocco, Christine

Florida Comprehensive Regional Assistance Center  
Educational Testing Service
10/1/2005 - 6/30/2009
$250,438 – funding for this fiscal year
$1,082,510 – Total project funding
The Anchin Center is a partner of the Florida and the Islands Comprehensive Center at ETS (FLICC), one of 16 federal technical assistance centers funded by the U.S. Department of Education. FLICC serves Florida, Puerto Rico and the Virgin Islands. The mission of the Comprehensive Centers is to build the capacity of states to close achievement gaps and meet the goals of NCLB. The Anchin Center delivers services to projects in Florida and in the Virgin Islands. Building capacity to sustain the efforts of education reform requires Anchin Center staff to interface with district and school personnel, state department officials, project partners, and the U.S. Department of Education program officers who evaluate the work of the Comprehensive Center and its subcontractors.

Curtis, Michael

Healthy Schools Project
Florida Department of Education
$130,600
The project will assist the Florida Department of Education in providing training, consultation, resources development, technical assistance and personnel and travel administration in three components: HIV/AIDS Prevention Education, Nutrition Education, and Tobacco Prevention.

Elam, Donna

Hillsborough CHOICE
Hillsborough County School Board
10/1/2007 - 9/30/2012
$324,056 – funding for this fiscal year
$1,569,676 – Anticipated total project funding
Provide research, planning implementation oversight, and materials development to support the integration of culturally competent instructional practices into curriculum and instruction. COEDU team will also direct the evaluation activities.

Teacher Incentive Fund
Hillsborough County School Board
7/1/2007 - 6/30/2012
$167,837 – funding for this fiscal year
$786,155 – Anticipated total project funding
Through the Tampa Bay Educational Partnership, Anchin Center will provide expert leadership training to assist school administrators in creating the specialized skills necessary to become effective leaders at high needs, high poverty schools.

Magnet School Assistance Program
Hillsborough County School Board
11/1/2007 - 9/30/2010
$164,630 – funding for this fiscal year
$399,174 – Anticipated total project funding
Provide training in culturally competent classroom and school site leadership to assist teachers and administrators in gaining the specialized skills necessary to be effective leaders and instructors at diverse schools

CLASS - Project Collaborative Leaders Achieving Science Success
Hillsborough County School Board
6/1/2007 - 9/30/2008
$10,000 – funding for this fiscal year
$324,056 – Total project funding
A formal project partnership will be established between HCPS, MOSI, the College Board and USF to provide professional development in the area of the physical sciences, culturally competent leadership and Science, Technology, Engineering, and Mathematics (STEM) internship.

Fernandez, Mari

Partnership Plus
Department of Education
10/1/2006 - 9/30/2011
$742,481 – funding for this fiscal year
$3,885,433 – Anticipated total project funding
Implement research-based parental involvement policies, programs and activities statewide and provide high quality, highly useful comprehensive training, information, and support services statewide to parents and educators.

Hess, Melinda

Teacher Excellence: Ensuring Student Competitiveness
Middle Tennessee State University
11/1/2007 - 12/31/2009
$62,000
Provide the external evaluation to access the impact of the teacher training program on math and science high school teachers' content knowledge and pedagogical skills as well as student learning.

UMATH: Understanding Mathematics for 3rd-5th Grade Teachers
Middle Tennessee State University
4/1/2009 - 12/31/2009
$120,000

Jones, Patricia

National Writing Project New Site Funding Application
National Writing Project Corporation
6/30/2002 - 6/30/2010
$48,000 – funding for this fiscal year
Kersaint, Gladis

*Partnership to Rejuvenate and Optimize Mathematics and Science Education in Florida (PROMiSE)*
Florida Department of Education  
9/16/2008 - 9/30/2009  
$8,242,622 – funding for this fiscal year  
$21,972,135 – Total project funding

Florida PROMiSE addresses the need to improve the mathematics and science achievement of students through professional development. Florida PROMiSE is a partnership among the three Florida Public Research - Flagship Universities (USF, FSU, & UF), four large school districts (Miami-Dade, Hillsborough, Duval & Seminole), educational consortia (Heartland Educational Consortium (HEC), Northeast Florida Educational Consortium (NEFEC) & Panhandle Area Educational Consortium (PAEC)), Florida Virtual School, and Horizon Research, Inc. PROMiSE lays the foundation and leads development and implementation of large-scale, systemic professional development and teacher education programs to significantly improve learning in mathematics and science of all students by working collaboratively with a statewide network of stakeholders to implement the new mathematics and forthcoming science standards.

Kilpatrick, Marcus

*The Impact of Wearable Weights on Cardiovascular, Metabolic, and Perceptual Responses to Treadmill Walking*
Body Togs, Inc.  
7/1/2008 - 6/30/2009  
$17,505

The Impact of Wearable Weights on Cardiovascular, Metabolic, and Perceptual Responses to Treadmill Walking

Kleinhammer Tramill, Patricia

*Leadership in Teaching Education for Special Education (LITES)*
Department of Education  
9/30/2006 - 9/29/2010  
$199,954 – funding for this fiscal year
$797,426 – Anticipated total project funding
The project is designed to address the severe shortage of leadership personnel who are prepared to assume roles as special education faculty members.

Kline, Marilyn

*Regional Training Council IV*
Florida Department of Education
7/1/2008 - 6/30/2009
$125,000
Provide professional development, technical assistance, and literacy resources to support the adult education systems within volunteer literacy programs, community- and faith-based organizations, and public library systems in various counties of Region IV.

*Florida TechNet - AGE*
Florida Department of Education
7/9/2008 - 6/30/2009
$96,999
Provide training opportunities to Florida's Adult Education practitioners and research internet-based on-line conferencing systems for professional development

Knopp, Tanice

*Transdisciplinary Integrated Education Model (TransD) Project*
Manatee County School Board
12/19/2008 - 7/31/2009
$69,950
To develop, implement and evaluate the Transdisciplinary Integrated Education Model (TransD) project and the Teacher Assistant Team (TAT) project in the Manatee School district.

Linder, Patricia

*Regional Training Council II*
Florida Department of Education
7/1/2008 - 6/30/2009
$125,000
Provide professional development, technical assistance, and literacy resources to support the adult education systems within volunteer literacy programs, community- and faith-based organizations, and public library systems in various counties of Region II.

*Florida TechNet - ESOL*
Florida Department of Education
7/9/2008 - 6/30/2009
$77,999
Provide training opportunities to Florida's Adult Education practitioners and research internet-based on-line conferencing systems for professional development
Lopez, Lisa

*Florida English Language Learners Attending Head Start (FELLA-HS): A Cultural Analysis*

Administration for Children and Families
9/30/2007 - 9/29/2010
$200,000 – funding for this fiscal year
$500,000 – Anticipated total project funding
Partner with five Head Start agencies throughout Florida in developing a state consortium to study the developmental process of language, early literacy, early numeracy, cognition, approaches to learning, and social-emotional development for 400 Spanish-speaking English language learners in both English and Spanish

*Assessment of Phonological Abilities in Bilingual Children*

Pennsylvania State University
9/30/2005 - 6/30/2010
$101,413 – funding for this fiscal year
$456,121 – Anticipated total project funding

Mann, Brian

*Smaller Learning Communities Initiative*

Hillsborough County School Board
10/1/2008 - 9/30/2012
$123,428 – funding for this fiscal year
$705,758 – Anticipated total project funding
Provide a documentation analysis and technical assistance (DATA) team which will meet with both the project leadership and the individual schools on a regular basis to assist both groups in data analysis and interpretation

*Bridge (Building Relationships and Interdistrict Development to Guide Education)*

Hillsborough County School Board
$10,000
Provide evaluation for "Project Building Relationships and Interdistrict Development to Guide Education (BRIDGE)"

McHatton, Patricia

*USF/PCPS-Local Partnership for Improved Supply of Highly Qualified Special Educators (PROPEL)*

Department of Education
10/1/2006 - 9/30/2011
$279,366 – funding for this fiscal year
$1,208,780 – Anticipated total project funding
Project Preparing Regular Educators for Certification in Special Education (PRECISE)  
Department of Education  
7/1/2007 - 6/30/2011  
$199,411 – funding for this fiscal year  
$797,959 – Anticipated total project funding  
Project PRECISE will focus on the critical shortage of special educators and the need for “highly qualified” teachers certified in both secondary content and special education, and educators from underrepresented groups. 50 Secondary Education graduates/teachers from diverse backgrounds will be recruited through the MA Degree in Special Education.

Small Learning Communities  
Hillsborough County School Board  
10/1/2008 - 9/30/2012  
$36,985 – funding for this fiscal year  
$184,925 – Anticipated total project funding  
Deliver service learning staff development to teachers at the SLC schools.

Moffitt, Karen

Florida Cancer Trials Physician/Patient Information and Education Project  
Health Resources and Services Administration  
9/1/2008 - 8/31/2010  
$521,370  
The program seeks to increase enrollment rates for Florida cancer clinical trials through a comprehensive statewide information and matching service.

Florida Diagnostic and Learning Resource System at USF  
Florida Department of Education  
7/1/2008 - 6/30/2009  
$566,336  
Provide multidisciplinary diagnostic evaluations and prescriptive interventions for Florida's children with learning, behavioral, and developmental problems.

Florida Inclusion Network  
Florida Department of Education  
9/1/2007 - 9/30/2008  
$432,000  
Maintain a district and regional network of facilitators, consultants, and practitioners to assist schools and school districts in the implementation of effective and inclusive educational practices in the field of special education

VSA Arts of Florida  
Florida Department of Education  
7/2/2008 - 8/31/2009  
$285,000
Create and maintain a society where all people with disabilities learn through, participate in and enjoy the arts. The project provides educators, parents, and artists with resources and the tools to support arts programming in schools and communities.

Shaunessy, Susan

*Independent Day School Initiative*

Independent Day School
5/7/2009 - 12/31/2010
$65,536

The partnership will lead to five courses delivered to Independence Day School teachers during five consecutive semesters beginning in summer 2009. The courses will meet the State of Florida's Gifted Endorsement requirements.

Thomas, Daphne

*USF Regional Personnel Development Partnership (PDP)*

Florida Department of Education
11/1/2008 - 10/31/2009
$60,000

Increase the State's capacity to prepare and retain sufficient numbers of highly qualified personnel available in Florida that provide instructional and related services to children with disabilities.

Tramill, James

*Special Education Administration (SEA)*

Department of Education
5/1/2007 - 4/30/2011
$399,947 – funding for this fiscal year
$799,926 – Anticipated total project funding

The project will address the infrastructure problem by developing a new leadership training program for USF Florida Special Education Administration (SEA) through a collaborative effort between the Department of Special Education and the Department of Educational Leadership and Policy Studies.

White, James

*The Cognitive-based Simulation System for CAD-Assisted Mammogram Interpretation*

H. Lee Moffitt Cancer Center
7/1/2008 - 6/30/2009
$26,397

Winkelman, Roy

*Sunshine State Standards: Language Arts and World Languages*
Florida Department of Education
$383,000
FCIT will revise, develop and implement the Language Arts and World Languages Sunshine State Standards, including managing online tools for collaboration and public comment and disseminate information via online and print publications.

**Interagency Agreement between USF and FLDOE**
Florida Department of Education
5/14/2007 - 6/30/2010
$194,677

**2008-09 Technology Integration Matrix**
Florida Department of Education
$75,000
FCIT will provide a set of websites and instruments to measure a teacher's integration of technology in the classroom. The purpose is to determine the most appropriate professional development.

**English for Speakers of Other Languages (ESOL) Mentoring Initiative for Academics and Methods Infusion**
Miami University
7/2/2007 - 7/1/2012
$18,360
FCIT will provide resources and technical support on TAPESTRY website.

**Leveraging Laptops through the Florida Digital Educator Program**
Various Florida School Districts
5/6/2008 - 9/30/2009
$1,350,000
FCIT will provide professional development programs on enhancing technology through technology to school teachers. Training includes Student Tool for Technology Literacy training component, Teaching and Learning Institute component, Master Digital Educator component, Media assets component, Technology Integration Matrix component and Action research for Technology Integration component.

**Thinkfinity State Education Partnership**
Verizon Foundation
2/6/2009 - 2/5/2010
$60,000
"Thinkfinity" is the free resources, activities and training opportunities provided by Verizon Foundation. The project will create a Thinkfinity State trainer network to provide Thinkfinity training to educators.
SECTION TWO

Awards by Sponsor Type

This section contains information on projects in a table format. The project budget only includes those amounts which were released during 2008-2009 fiscal year. The report is arranged by federal funded projects, state funded projects and projects supported by the private sector as well as projects awarded to other institutions that involve faculty from the COEDU.
