Course Selection Guide for Pre-Elementary and Pre-Early Childhood Majors

**This guide is for those who are working under the USF 2008/09 Catalog; This course selection guide is not applicable to those working under the 2009/10 USF catalog who must satisfy the Foundations of Knowledge and Learning Core Curriculum**

Please Note:
The courses outlined in this course selection guide have been recommended by faculty in the College of Education for Pre-Elementary and Pre-Early-Childhood Education majors. The faculty strongly encourage you to register for these courses.

In the event these courses are full, please refer to the class schedule search, go to the bottom of the page under “Undergraduate Requirements,” and search under any of the needed subject areas. This will provide a broad scope of courses that will satisfy specific subject area requirements should the courses outlined here in this guide be unavailable or full.

Natural Science

BSC 1005 Principles of Biology for non-majors (3)
BSC 2030 Save the Planet: Environmental Sciences (3)
BSC 2050 Environment (3)
CHM 2023 Chemistry for Today (4)
