Beat the Rush - Seek Advising Early!

This is a friendly reminder that the College of Education conducts Information/Advising sessions every month. In order to obtain pertinent information about your intended major, please sign-up for one of these sessions as soon as possible. The earlier you familiarize yourself with the requirements of your major, the better prepared you will be for admission into the College of Education. You will have an opportunity to meet the Pre-Education Advisors and get your questions answered. Make sure you look at the dates the sessions are being offered and register on line. We look forward to meeting with you as you are our “Future Educators.”

P.S. Please do not wait until the last minute to seek advising for the Summer and Fall semester courses! It will be to your benefit to attend an earlier session to gather as much information as you can to prepare you for the up coming semester. You may register at: http://www.coedu.usf.edu/main/sas/Pre-EdAdvisingSessions.htm

Spring 2006 Pre-Education Advising Sessions

Sessions will cover admissions requirements, prerequisites, College of Education policies, and allow time for questions.

Thursday, April 20th at 8:00 pm ONLINE** - Phys. Ed., Ex Sci & Ath Tr

All advising sessions are held in EDU/DAC 103 (TECO) - on the first floor next to the Rotunda in the College of Education.

Register for a session today at: http://www.coedu.usf.edu/sas/session.htm

** Facilitated completely online through ElluminateLive! Students must have speakers to attend an online session (microphone is highly suggested but not mandatory to attend and participate).
Cross-Enrollment
Some undergraduate students may find it advantageous to cross enroll at a Florida public community college while attending USF. To prevent problems with financial aid and other registration issues, see a USF college advisor for detailed instructions and course approval. Procedures to permit this type of registration are available during specified times printed in the University Schedule of Classes. Credit hours for the course(s) taken at the host institution will apply toward graduation only if prior approval was received from the student’s USF advisor. The grade point average will not transfer to USF.

Transient Students
USF degree-seeking students who wish to enroll at another regionally accredited institution MUST HAVE PRIOR WRITTEN APPROVAL from their college academic advisor to receive credit for courses taken. The transient student/cross enrollment form should be used for this purpose. First term, first time in college freshmen are not eligible for USF awarded financial aid if granted transient student status.

Pre-Education Application Workshops
Do you have questions about submitting your application to the College of Education? Confused about paperwork that needs to be submitted? If so, Pre-Education Advising will be holding application workshops designed to assist students with the application process. Registration information regarding these workshops will be disseminated shortly; however, save one of the following dates:

The workshop dates and location are:

Monday, March 6 from 1-3pm in EDU 416
Tuesday, March 28 from 10-12pm in EDU 413
Thursday, April 13 from 5-7pm in EDU 258

No RSVP is required.

General Knowledge Test Prep Sessions
Preparation study sessions for the General Knowledge Test are being provided during this semester. These sessions are free of charge and available on a first come first serve basis. If you are interested, please visit the following website: http://www.coedu.usf.edu/main/departments/sped/PDP/CLAST.html
