Sharpen Your Skills

Spring and Summer 2006

Professional Development Opportunities

Our Vision

The USF College of Education envisions itself as a leader in regional, national and international education. Leadership in education encompasses:

- Academic Excellence
- Research, scholarship, and inquiry that renews the educational process
- Collaboration that serves communities, institutions, and individuals
- Preparation that builds on academic excellence, scholarship, clinical practice, and collaboration and that contributes to a just and productive society.

How To Enroll

Non-Degree Seeking Students:
http://www.usf.edu/adm_nondegree.htm

OR – from the USF Home page
http://www.usf.edu/ click on Prospective Students. This will take you to:
http://www.usf.edu/prospective.html

Next click on Non-Degree Seeking Students.
This will take you to:
http://www.usf.edu/adm_nondegree.html
Please read this page carefully.

Step-by-step instructions and FAQ’s can be found by clicking on Guide for Non-Degree Students (pdf) on that page.

The Non-Degree Registration Information and application may be downloaded by clicking on Non-Degree Enrollment Application (pdf) on that page.

Degree Seeking Students:
http://admissions.grad.usf.edu

Enrollment applications for Degree Seeking Students are accepted up to one year in advance of the desired term of entry and therefore, prospective applicants are encouraged to apply early. Applicants are responsible for submitting applications before the appropriate deadline. Program deadlines and admissions criteria are listed in the Application to Graduate Studies at USF and on the Graduate Admissions website listed above.

Did You Know:

- We rank in the top third of all graduate schools of education in the country, according to U.S. News & World Report!
- We’re regionally and NCATE accredited!
- We are the 6th largest College of Education in the country!
